such authority to expire at the end of the next annual general meeting of the Company (or, if earlier, at the close of business on 25 December 2026) but, in each case, prior to its expiry the Company may make offers, and enter into agreements, which would, or might, require equity securities to be allotted (and treasury shares to be sold) after the authority expires and the board of directors of the Company may allot equity securities (and sell treasury shares) under any such offer or agreement as if the authority had not expired.

- (b) limited to the allotment of equity securities or sale of treasury shares (otherwise than under paragraph (a) above) up to a nominal amount equal to 20% of any allotment of equity securities or sale of treasury shares from time to time under paragraph (a) above, such authority to be used only for the purposes of making a follow-on offer which the board of directors of the Company determines to be of a kind contemplated by paragraph 3 of Section 2B of the Statement of Principles on Disapplying Pre-Emption Rights most recently published by the Pre-Emption Group prior to the date of this notice,

such authority to expire at the end of the next annual general meeting of the Company (or, if earlier, at the close of business on 25 December 2026) but, in each case, prior to its expiry the Company may make offers, and enter into agreements, which would, or might, require equity securities to be allotted (and treasury shares to be sold) after the authority expires and the board of directors may allot equity securities (and sell treasury shares) under any such offer or agreement as if the authority had not expired.

- 14 That the Company be and is hereby generally and unconditionally authorised for the purposes of section 701 of the Companies Act 2006 to make one or more market purchases (within the meaning of section 693(4) of that Act) of ordinary shares of 1 pence each in the Company provided that:

- (a) the maximum number of ordinary shares hereby authorised to be purchased is 11,291,337, representing 10% of the Company's issued ordinary share capital as at the latest practicable date prior to the publication of this notice of annual general meeting);
- (b) the minimum price (exclusive of any expenses) which may be paid for each ordinary share is 1 pence;
- (c) the maximum price (exclusive of any expenses) which may be paid for each ordinary share shall be not more than 5% above the average of the middle market quotations for an ordinary share on the relevant investment exchange on which the ordinary shares are traded for the five business days immediately preceding the date on which such ordinary share is contracted to be purchased;
- (d) unless previously revoked or varied, the authority hereby conferred shall expire at the end of the next annual general meeting of the Company (or, if earlier, at the close of business on 25 December 2026); and
- (e) the Company may make a contract or contracts for the purchase of ordinary shares under this authority before the expiry of this authority which would or might be executed wholly or partly after the expiry of such authority, and may make purchases of ordinary shares in pursuance of such a contract or contracts, as if such authority had not expired.

- 15 That the Articles of Association of the Company be amended by deleting existing Articles 24.1 – 24.1 inclusive and by substituting therefore the following:

Appointment and Retirement of Directors

“24.1. At each annual general meeting all Directors of the Company shall retire from office.

NOTICE OF 2025 ANNUAL GENERAL MEETING

NOTES:

Appointment of Proxy

- 1 As a member of the Company you are entitled to appoint a proxy to exercise all or any of your rights to attend, speak and vote at a meeting of the Company. You should have received a proxy form with this notice of meeting. You can only appoint a proxy using the procedures set out in the notes to the proxy form. A proxy need not be a member of the Company.
- 2 To be effective (subject to paragraph 3 below), the proxy form, and any power of attorney or other authority under which it is executed (or a duly certified copy of any such power or authority), must be deposited at the office of the Company's registrars, MUFG Corporate Markets, PXS 1, Central Square, 29 Wellington Street, Leeds, LS1 4DL, not less than 48 hours (excluding weekends and bank holidays) before the time for holding the meeting (i.e. by 10.00am on Tuesday 23 September 2025) and if not so deposited shall be invalid.
- 3 Alternatively, you may instead submit your proxy vote electronically by accessing the shareholder portal at www.signalshares.com, logging in and selecting the 'Vote Online Now' link. You will require your username and password in order to log in and vote. If you have forgotten your username or password you can request a reminder via the shareholder portal. If you have not previously registered to use the portal you will require your investor code ('IVC') which can be found on your share certificate. Proxy votes should be submitted as early as possible and, in any event, not less than 48 hours (excluding weekends and bank holidays) before the time for holding the meeting (i.e. by 10.00am on Tuesday 23 September 2025) and if not so submitted shall be invalid.
- 4 CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the meeting and any adjournment(s) thereof by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
- 5 In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a CREST Proxy Instruction) must be properly authenticated in accordance with Euroclear UK & International Limited's specifications and must contain the information required for such instruction, as described in the CREST Manual (available via www.euroclear.com). The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the Company's registrars (ID: RA10) by the latest time(s) for receipt of proxy appointments specified in Note 2 above. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
- 6 CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & International Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings (www.euroclear.com).
- 7 The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001 (as amended).

NOTICE OF 2025 ANNUAL GENERAL MEETING

EXPLANATORY NOTES TO THE NOTICE OF ANNUAL GENERAL MEETING

iOMART GROUP PLC

Ordinary Resolutions

Resolutions 1 to 11 are all to be proposed as ordinary resolutions. This means that for each of those resolutions to be passed, more than half of the votes cast must be in favour of the resolution.

Resolution 1 – To receive and adopt the financial statements for the year ended 31 March 2025 and the directors' and auditors' reports thereon

For each financial year the directors of the Company must present the audited financial statements, the directors' report and the auditors' report on the financial statements to the shareholders at an annual general meeting.

Resolution 2 – To approve the directors' remuneration report

Shareholders are asked to approve the directors' remuneration report which may be found in the annual report on pages 51 to 54. This resolution is an advisory one and no entitlement to remuneration is conditional on the resolution being passed.

Resolution 3 – To approve the directors' remuneration policy

Shareholders are asked to approve the directors' remuneration policy which may be found in the annual report on page 50. The most recent version of the Quoted Companies Alliance Corporate Governance Code recommends that companies may wish to put their remuneration policy to a shareholder vote. Accordingly, the Company seeks to follow best practice and is putting this policy forward for approval.

Resolutions 4-9 (inclusive) – Re-appointment of directors

Each of the Directors voluntarily offer themselves for re-appointment as a director of the Company.

The Board of Directors is satisfied that the performance of each of Richard Last, Scott Cunningham, Angus MacSween, Kathryn Lamont, Adrian Chamberlain and Annette Nabavi continues to be effective and demonstrates commitment to their roles with the Company including commitment of time for board meetings and other duties required of them. Accordingly, resolutions 4 – 9 (inclusive) propose the reappointment of each of Richard Last, Scott Cunningham, Angus MacSween, Kathryn Lamont, Adrian Chamberlain and Annette Nabavi respectively.

Brief biographical details of each of Richard Last, Scott Cunningham, Angus MacSween, Kathryn Lamont, Adrian Chamberlain and Annette Nabavi are given below.

Richard Last, appointed 2024: Richard is a fellow of the Institute of Chartered Accountants in England Wales with extensive experience across quoted and private companies in the technology services sector. Over the past six years, Richard has held Chair positions at Hyve Group Plc, Gamma Communications Plc, Arcontech Group Plc, Servelec Group Plc and Gresham Technologies. Richard was appointed Non-Executive Chair in 2024 and is currently Executive Chair (appointed on 30 May 2025).

Scott Cunningham, appointed 2018: Scott is a chartered accountant having trained with Arthur Andersen where he became a senior manager providing audit and transaction support services to both public and private companies. Leaving Arthur Andersen in 2001, Scott joined Clyde Blowers and performed a number of roles including Group Financial Controller for the Clyde Bergemann Power Group from 2003 to 2006. He became Director of Corporate Finance and Company Secretary for AIM listed InterBulk Group plc in February 2006 and, in April 2007, Scott became Group Finance Director for InterBulk Group plc until it was successfully sold to Den Hartogh in March 2016. Immediately prior to joining iomart he was an Investment Director at Clyde Blowers Capital.

Angus MacSween, appointed 2000: Angus founded iomart in December 1998 following 15 years spent creating and selling businesses in the telephony and internet sector. In 1984, after a short service commission in the Royal Navy, Angus started his first business selling telephone systems. He then grew and sold five profitable businesses – including Prestel, an online information division of BT, which he turned into one of the UK's first internet service providers. Following the sale of Teledata Limited, the UK's leading telephone information services company, to Scottish Telecom plc, Angus then spent two years on the executive of Scottish Telecom plc where he was responsible for the development of the company's internet division. Angus was Chief Executive Officer of iomart until he retired on 1 October 2020 and was appointed as a Non-Executive Director on the same day.

Adrian Chamberlain, appointed 2023: Adrian has considerable experience across the technology and telecoms sector, having spent a significant period of his executive career with Cable & Wireless plc before becoming CEO of Message Labs and then Achilles, both cloud-based SaaS businesses. She has substantial experience in the area of remuneration through her involvement with the Quoted Companies Alliance (QCA), where she supported the update to the Remuneration Committee Guide. Annette is Finance Director for Women in Telecoms and Technology, a Not-for-Profit organisation.

Resolution 10 – Re-appointment and remuneration of auditors

The Company is required at each general meeting at which financial statements are presented to shareholders to appoint auditors who will remain in office until the next such meeting. Deloitte LLP have expressed their willingness to continue in office for a further year. In accordance with company law and corporate governance best practice, shareholders are also asked to authorise the directors to determine the auditors' remuneration.

Resolution 11 – Authority to allot shares

Under section 551 of the Companies Act 2006, the directors of a company may only allot shares or grant rights to subscribe for, or to convert any security into, shares in the company if authorised to do so.

In line with guidance issued by the Investment Association, the authority contained in paragraph (a) of this resolution will (if passed) give the directors authority to allot ordinary shares in connection with a rights issue in favour of ordinary shareholders up to an aggregate nominal amount equal to £752,755.84 (representing 75,275,584 ordinary shares of 1p each) as reduced by the nominal amount of any shares issued under paragraph (b) of this resolution. This amount (before any reduction) represents approximately two-thirds of the issued ordinary share capital (excluding treasury shares) of the Company as at the latest practicable date prior to publication of the notice of the meeting.

The authority contained in paragraph (b) of this resolution will (if passed) give the directors the authority to allot ordinary shares up to an aggregate nominal value of £376,377.92 (representing 376,377.92 ordinary shares of 1p each). This amount represents approximately one-third of the issued ordinary share capital (excluding treasury shares) of the Company as at the latest practicable date prior to the publication of the notice of the meeting.

This authority will expire on 25 December 2026 or, if earlier, at the conclusion of the next annual general meeting.

NOTICE OF 2025 ANNUAL GENERAL MEETING

Special Resolutions

Resolutions 12, 13, 14 and 15 will be proposed as special resolutions. This means that, for each of those resolutions to be passed, at least three-quarters of the votes cast must be in favour of the resolution.

Resolutions 12 and 13 - Disapplication of statutory pre-emption rights

The Companies Act 2006 gives holders of ordinary shares, with limited but important exceptions, certain rights of pre-emption on the issue for cash of new ordinary shares or on the sale of any shares which the Company may hold in treasury following a purchase of its own shares. Your Board of Directors believes that it is in the best interests of the Company that, as in previous years, the Board should have limited authority to allot some shares for cash or sell treasury shares without first having to offer such shares to existing shareholders. The directors' current authority expires at the close of the forthcoming annual general meeting. The authority sought by way of resolution 12 would expire at the earlier of the close of the next annual general meeting or on 25 December 2026. The authority, if granted, will relate to the allotment of new ordinary shares or the sale of treasury shares in respect of (a) rights issues and similar offerings, where difficulties arise in offering shares to certain overseas shareholders, and in relation to fractional entitlements and certain other technical matters, (b) the right to receive shares, credited as fully paid, instead of cash in respect of the whole (or some part, to be determined by the board of directors) of such cash dividend or dividends (if the Company offers shareholders the option of making an election of that nature and if relevant shareholders make such an election), (c) generally to allotments (other than in respect of pre-emptive offerings) of ordinary shares or the sale of treasury shares having an aggregate nominal value not exceeding £112,913.38 (being equal to 10% of the issued ordinary share capital (excluding treasury shares) of the Company as at the latest practicable date prior to the publication of the notice of the meeting) and (d) to a follow-on offer which the Board of Directors of the Company determines to be of a kind contemplated by paragraph 3 of Section 2B of the Statement of Principles on Disapplying Pre-Emption Rights most recently published by the Pre-Emption Group prior to the date of this notice.

Resolution 13, if approved, would give your Board of Directors an additional authority to issue ordinary shares, or sell treasury shares, for cash in connection with an acquisition or capital investment of a kind contemplated by the Pre-Emption Group's Statement of Principles (a) up to an additional aggregate nominal amount of £112,913.38 (being equal to 10% of the issued ordinary share capital (excluding treasury shares) of the Company as at the latest practicable date prior to the publication of the notice of the meeting) and (b) in respect of a follow-on offer which the Board of Directors determines to be of a kind contemplated by paragraph 3 of Section 2B of the Statement of Principles on Disapplying Pre-Emption Rights most recently published by the Pre-Emption Group prior to the date of this notice. Your Board of Directors confirms that it will only allot shares pursuant to this authority where the allotment is in connection with the financing (or refinancing, if the authority is to be used within 12 months after the original transaction) a transaction which the Board determines to be either an acquisition or a specified capital investment of a kind contemplated by the Statement of Principles on Disapplying Pre-Emption Rights most recently published by the Pre-Emption Group prior to the date of the notice of AGM.

The powers given by resolutions 12 and 13 will, unless sooner revoked or renewed by the Company in a general meeting, last until the earlier of the close of the next annual general meeting or 25 December 2026.

Resolution 14– Authority to purchase the Company's own shares

This resolution grants authority to the Company to make purchases of up to a maximum of 10% of the issued ordinary share capital of the Company as at the latest practicable date prior to the publication of the notice of this meeting.

In certain circumstances it may be advantageous for the Company to purchase its ordinary shares. The Directors would use the share purchase authority with discretion and purchases would only be made from funds not required for other purposes and in light of market conditions prevailing at the time. In reaching a decision to purchase ordinary shares, your Directors would take account of the Company's cash resources and capital, the effect of such purchases on the Company's business and on earnings per ordinary share.

The Directors have no present intention of using the authority. However, the Directors consider that it is in the best interests of the Company and its shareholders as a whole that the Company should have flexibility to buy back its own shares should the directors in the future consider that it is appropriate to do so.

In relation to any buy back, the maximum price per ordinary share at which the Company is authorised in terms of resolution 14 to effect that buy back is 5% above the average middle market price of an ordinary share for the five business days immediately preceding the date on which the buy back is effected.

IOMART GROUP PLC

NOTICE OF 2025 ANNUAL GENERAL MEETING

The powers given by resolution 14 will, unless sooner revoked or renewed by the Company in a general meeting, last until the earlier of the close of the next annual general meeting or 25 December 2026.

The statutory provisions governing buy backs of own shares are currently contained in, inter alios, sections 693 and 701 of the Companies Act 2006.

Resolution 15 – Amendment to Articles of Association

The Company's Articles of Association currently contain provisions relating to the retirement of Directors by rotation. These include that one third of the Directors who are subject to retirement by rotation should retire from office at each annual general meeting of the Company. Any retiring Director is eligible to stand for re-appointment. The most recent version of the Quoted Companies Alliance Corporate Governance Code recommends that all Directors stand for election or re-election annually. The Company is therefore proposing that its Articles of Association be updated to reflect this. Accordingly, the Company is proposing that existing Articles 24.1 – 24.3 (which include the provisions relating to one third of Directors being required to retire by rotation at each AGM) be replaced with new provisions requiring all Directors to retire at each AGM. Such retiring Directors are eligible to stand for re-appointment.
