

# Financial and Management Accountant - Top 3 Managed Cloud Computing Company

## Vacancy Title

Financial and Management Accountant, Glasgow - Top 3 Managed Cloud Computing Company

## Salary

£35,000 - £40,000 DOE

## The Company and Role

The iomart Group is one of Europe's leading providers of managed hosting and cloud computing services. We specialise in the design, implementation and management of business-critical hosting services enabling companies and organisations to reduce the cost, complexity and risks associated with maintaining their own web and online applications. With offices and datacentres across the UK, we are at an exciting time in our expansion plans across all of our brands.

We are looking for a self-motivated Financial & Management Accountant to join our Head Office Team in Glasgow to look after our Melbourne and Group Divisions.

## Role and responsibilities

### *Financial Accountant*

- Participate in the production of the Group's Monthly Management Accounts consolidation
- Participate in the preparation of and consolidation of the Group's budgets
- Participate in the preparation of and consolidation of the Group's statutory accounts
- Participate in the half year and full year audits
- Participate in the preparation of the subsidiary companies' statutory accounts
- Participate in the preparation of the Group's taxation computations

### *Management Accountant*

- Overall responsibility for the Management accounting function for one of the Group brands
- Management of finance staff
- Production of regular and ad-hoc financial and management information for exec/board level distribution, including Monthly Management Accounts pack for the operations
- Provision of detailed analysis of monthly financial performance including full explanation of performance against both prior year and budget
- Report on KPI's for the operations
- Production of annual budget and regular update thereof for the operations
- Principal contact with auditors for half year and annual audit reviews for the operation
- Work with system developers to improve systems and reporting as required

### *Personal qualities*

- Interpersonal, communication and presentation skills
- Organisational and time management skills
- Problem solving/analytical skills
- Delegation skills
- Self-motivated

- Ability to work under pressure to tight deadlines with ability to multi-task
- Coaching, training and team building skills
- Ability to work unaided on own initiative as well as being committed team player

## **Experience**

### ***Desired***

- Exposure to senior management, sales and operational management in a commercial environment
- Implementation and/or improvement and documentation of financial process and controls
- Knowledge of Microsoft Great Plains accounting software

### ***Essential***

- CCAB qualified accountant
- Exposure to industry/commerce, directly or indirectly
- High level of Microsoft skills
- Strong technical accounting skills

## **What do we offer in return? ....**

- We'll shout you to lunch once a month
- ½ Day off on your Birthday
- Breakfast on us every day, including a hot roll on Fridays
- Free on-site car parking
- Long service benefits
- Snacks, drinks and fruit all day, everyday
- Pension
- Share save and childcare voucher schemes
- Supported training and access to an online training portal 24/7

## **Training & Development**

As you can gather, we have a relaxed and friendly working environment but don't be fooled; you will be working with some of the country's best talent and greatest technical experts. We want our people to thrive, prosper and to leave work every day feeling valued and that they have made a difference. Talented, motivated and creative people lie at the heart of our success so we invest heavily in our people and their professional and personal development through technical certification, our online training portal and our Management and Leadership Development Programme.

We look forward to hearing from you .....
