iomart

iomart Group plc is delighted to offer this opportunity to join one of the UK's leading managed hosting companies. Originally founded in 1998, the iomart Group has evolved to become one of Europe's leading providers of managed hosting, Datacentre and cloud computing, serving over 300,000 customers each day. iomart offers managed hosting solutions for any size or type of business, from a single server to complex managed hosting environments.

Description

- You will be excited about internet technologies and looking to develop new skills and further your career
- You will be exposed to a wide range of both web frontends and technical backend systems for all Group Brands
- You will have a basic understanding of or a keen interest to learn of server hosting platforms and networks

What it takes:

Skills/Experience

- Strong programming skills in any of the languages below (experience in other relevant languages would be considered)
- Java/C# .Net
- Ruby on Rails
- Perl/Python

Experience in some of the following:

- Working with SQL databases (MySQL, Oracle)
- HTML, Javascript, CSS
- Use of source control to manage your code (Git/CVS)
- Object oriented programming (OOP)
- PL/SQL

Desirable Experience/Skills

- Examples of web applications which showcase your skills
- A good head for problem solving
- Be able to use Google to the max to find solutions to tricky problems
- Able to happily work on your own or with other awesome developers on team projects
- Demonstrate a genuine passion for development

Key Responsibilities

- Developing web frontends and backend systems
- Participating in development projects for all Group brands
- Working with technical and non-technical users to understand technical requirements
- Writing technical documentation
- Undertaking testing

What do we offer in return? ….

- We'll shout you to lunch once a month
- ½ Day off on your Birthday
- Long service benefits
- Breakfast on us every day, including a hot roll on Fridays
- Snacks, drinks and fruit all day, everyday
- Pension
- Share save and childcare voucher schemes
- Supported training and access to an online training portal 24/7

Training & Development

As you can gather, we have a relaxed and friendly working environment but don't be fooled; you will be working with some of the country's best talent and greatest technical experts. We want our people to thrive, prosper and to leave work every day feeling valued and that they have made a difference.   Talented, motivated and creative people lie at the heart of our success so we invest heavily in our people and their professional and personal development through our online training portal and Management and Leadership Development Programme.

We look forward to hearing from you ………
