

# Creative Web Designer - Top 3 Managed Cloud Computing Company

## Vacancy Title

Creative Web Designer, Glasgow - Top 3 Managed Cloud Computing Company

## iomart

iomart is one of the leading providers of cloud computing and managed hosting. Headquartered in Glasgow, iomart employs almost 400 staff in offices and datacentres across the UK. Originally founded in 1998, it is listed on the London Stock Exchange and specialises in delivering cloud consultancy, facilitation and digital transformation to ISVs, SMEs, enterprises and the UK public sector.

iomart's employees help enable any size of business and organisations to operate their online data and IT environments safely and securely. Our technical staff are experts in public, private and hybrid cloud solutions - including AWS and Microsoft Azure – as well as data centre and network engineering. iomart owns and operates a network of UK data centres connected by a high capacity private fibre network and backed by 24/7 technical support.

iomart Group plc is delighted to offer this opportunity to join one of the UK's leading managed hosting companies as creative designer with an interest in front-end code.

## Role Description

You will be joining an experienced team of designers, developers and marketing geeks. Working as a team to design and build group websites and assist in marketing campaigns.

You need to be enthusiastic, creative and motivated. This is a great opportunity for those of you who want to develop their skills and knowledge whilst producing excellent work.

## Key Tasks

- Create user-centric beautiful designs and see them through to build
- You will be supported internally with developers, designers & project managers – all working towards the same goal as yourself

## Skills/Experience

- Must be creative, bright and intuitive
- Must have a working knowledge of HTML5 & CSS3
- Must be able to drive the main creative applications – Photoshop, Dreamweaver, Illustrator
- Should have experience of working with JavaScript & JQuery
- Should have an awareness and interest of responsive design
- Should have experience of integrating designs into Wordpress
- Should have excellent written and verbal communication skills

**What do we offer in return? ....**

- We'll shout you to lunch once a month
- ½ Day off on your Birthday
- Breakfast on us every day, including a hot roll on Fridays
- Free on-site car parking
- Long service benefits
- Snacks, drinks and fruit all day, everyday
- Pension
- Share save and childcare voucher schemes
- Supported training and access to an online training portal 24/7

**Training & Development**

As you can gather, we have a relaxed and friendly working environment but don't be fooled; you will be working with some of the country's best talent and greatest technical experts. We want our people to thrive, prosper and to leave work every day feeling valued and that they have made a difference. Talented, motivated and creative people lie at the heart of our success so we invest heavily in our people and their professional and personal development through technical certification, our online training portal and our Management and Leadership Development Programme.

We look forward to hearing from you .....
