

Management Accountant: Initial Contract 6 Months

The Company and Role

iomart Group is one of Europe's leading providers of managed hosting and cloud computing services. We specialise in the design, implementation and management of business-critical hosting services enabling companies and organisations to reduce the cost, complexity and risks associated with maintaining their own web and online applications. With offices and datacentres across the UK, we are at an exciting time in our expansion plans across all of our brands.

We're looking for a self-motivated Management Accountant to join our Head Office Team in Glasgow to look after a number of Group brands for an initial period of 6 months.

Role and Responsibilities

- Overall responsibility for the Management accounting function for a number of Group brands
- Management of finance staff
- Production of regular and ad-hoc financial and management information for exec/board level distribution, including Monthly Management Accounts pack for the operations
- Provision of detailed analysis of monthly financial performance including full explanation of performance against both prior year and budget
- Report on KPI's for the operations
- Production of annual budget and regular update thereof for the operations
- Principal contact with auditors for half year and annual audit reviews for the operation
- Work with system developers to improve systems and reporting as required.

Personal qualities

- Interpersonal, communication and presentation skills
- Organisational and time management skills
- Problem solving/analytical skills
- Delegation skills
- Self-motivated
- Ability to work under pressure to tight deadlines with ability to multi-task
- Coaching, training and team building skills
- Ability to work unaided on own initiative as well as being committed team player

Experience

Desired

- Exposure to senior management, sales and operational management in a commercial environment
- Implementation and/or improvement and documentation of financial process and controls
- Knowledge of Microsoft Great Plains accounting software

Essential

- CCAB qualified accountant
- Direct exposure to industry/commerce
- High level of Microsoft skills
- Strong technical accounting skills

Remuneration and Benefits

The salary range for this role is £35-40,000 per annum plus benefits. What's best though is that you get the opportunity to carry out an interesting and challenging role in a growing company. You'll also be part of our friendly and supportive team, with fantastic career prospects and a great working environment.

We strive to ensure we offer a fantastic place to work so there are lots of perks in being part of the iomart Group including a half day on your birthday, breakfast/fruit provided daily, a hot roll on a Friday and lunch 'on the house' once a month! In addition to this, we have sharesave and childcare voucher schemes in place.

We value long serving employees and their loyalty is recognised and rewarded through extra holidays, private medical care and life assurance. Career development within the iomart Group is extremely important to us and once you've got a year's service under your belt, you can set your sights on a new role in one of our many locations across the UK.

Training & Development

As you can gather, we have a relaxed and friendly working environment, but don't be fooled, you will be working with some of the country's best talent and greatest technical experts. We want our people to thrive, prosper and to leave work every day feeling valued and that they have made a difference. Talented, motivated and creative people lie at the heart of our success so we invest heavily in our people and their professional and personal development through our online training portal and Management and Leadership Development Programme.

We look forward to hearing from you.
