

## **C# .Net Developer - Top 3 Managed Cloud Computing Company Glasgow**

### **Salary**

Up to £50,000 DOE

### **iomart**

iomart Group plc is delighted to offer this opportunity to join one of the UK's leading managed hosting companies. Originally founded in 1998, the iomart Group has evolved to become one of Europe's leading providers of managed hosting, Datacentre and cloud computing, serving over 300,000 customers each day. iomart offers managed hosting solutions for any size or type of business, from a single server to complex managed hosting environments.

### **Description**

- We are looking for someone with a strong interest in DevOps and automation
- You will be enthused about internet technologies and looking to develop new skills and further your career
- You will be exposed to a range of both web frontends and technical backend systems which deal with the automation and deployment of infrastructure, both physical and virtual along with building a unique customer experience
- You will have a basic understanding of or a keen interest to learn of server hosting platforms, cloud platforms and networks

### **Key Responsibilities**

- Working on web and client applications to build automated systems which integrate with the platforms across our many datacentres
- Liaising with internal managers and teams to understand technical requirements and provide the best possible solution
- Writing technical documentation
- Undertaking testing

### **Skills/Experience**

- Strong programming skills in the following:-
- C# .Net web applications and client applications
- MS SQL
- T-SQL

### **Working knowledge of:**

- HTML, Javascript, CSS
- Source Control (Git/CVS/SVN)
- Unit Testing
- Object oriented programming (OOP)

### **What do we offer in return?**

- We'll shout you to lunch once a month
- ½ Day off on your Birthday
- Long service benefits

- Breakfast on us every day including a hot roll on Fridays
- Snacks, drinks and fruit all day, every day
- Sharesave and childcare voucher schemes

### **Training & Development**

As you can gather, we have a relaxed and friendly working environment but don't be fooled; you will be working with some of the country's best talent and greatest technical experts. We want our people to thrive, prosper and to leave work every day feeling valued and that they have made a difference. Talented, motivated and creative people lie at the heart of our success so we invest heavily in our people and their professional and personal development through our online training portal and Management and Leadership Development Programme.
