

**Job Title: Project Manager (6 month Fixed Term Contract)**

**Salary : £35,000 to £44,000 (pro rata)**

**About us:**

There has never been a more exciting time to become part of the iomart family, is it time for you to join us?

Currently in our 22nd year, the iomart Group continues to go from strength to strength. Within the last 12 months we have reached record numbers in both revenue and headcount, achieving annual revenue of £100 million for the first time since our conception and growing our team to over 400 employees. But we're not finished yet. Over the next five years we have ambitious plans to double the size of our business, increasing our annual revenue to £200 million, and we need the best talent the industry has to offer to help us achieve this.

**About the Project Manager role:**

The key focus of this role is to ensure the technical solutions of all customers are implemented within budget and timescale. Leading a team of experts, you will ensure that all new contracts and services for iomart Group are deployed seamlessly within all data centres. You will ensure that all platforms are handed over to the support team fully documented. You will be technically capable, but also extremely customer focused and able to provide confidence and reassurance to clients on meeting our project objectives. You will mentor and coach a team of experts who will deploy solutions up to customer acceptance and sign-off stage.

Travel to iomart Group's offices/data centres and customer premises is a requirement of this role

**The ideal candidate for the Project Manager role will have the following knowledge, experience or skills:**

- Experience working with MS Project
- Agile experience
- Excellent operational delivery skills
- Scrum knowledge
- Excellent customer facing skills

**The following knowledge, experience and skills are advantageous although not essential:**

- Prince 2
- Good working knowledge and understanding of IP Networks, IP control systems and IP systems architecture, eg. Virtualisation, Windows, Linux etc.

**What we can offer you:**

- Exposure and access to cutting-edge technology as well as the opportunity to work alongside like-minded technical enthusiasts
- Flexible Benefits scheme allowing you to select the benefits that suit your needs
- Supported training and development to help you progress within your career
- Holiday Trading Scheme – buy or sell part of your annual leave allowance
- Travel Loans - unsecured interest free travel loans to assist employees
- ShareSave/SAYE – buy shares in the company at a discounted rate
- Day off in your Birthday Month
- Long service benefits – additional annual leave and access to private healthcare
- Snacks, drinks and fruit all day every day

- Breakfast on us every day including a hot roll on Fridays
- Lunch on us once a month

**A bit more about us:**

iomart is one of the leading providers of cloud computing and managed hosting. Headquartered in Glasgow, iomart employs over 400 talented staff in offices and datacentres across the UK. Originally founded in 1998, it is listed on the London Stock Exchange and specialises in delivering cloud consultancy, facilitation and digital transformation to ISVs, SMEs, enterprises and the UK public sector.
